NCPC requires a background check for our volunteers. This is a confidential process; we will not receive or review your background check. The process is handled by a 3rd party vendor and managed by our parent organization, the Indiana Council of Preschool Cooperatives. If approved, you will receive a letter. Please forward a copy of this letter to our membership chairperson to complete the registration process. You can expect a response within 10 business days. Please follow the online instructions carefully. The link to obtain your background check is located at: <https://secure.safehiringsolutions.com/app.cfm?id=07995778-F240-4201-8385-584481F22871>

Criminal History Background Checks for Volunteers

In an effort to maintain best practices for the safety of our children and the protection of our schools, ICPC now recommends implementation of background checking procedure for parent volunteers. Schools participating in ICPC's background check program will use the following for their policy and procedures. Any parent or caretaker who will be a primary participating parent (meaning a parent who will participate in the classroom more than three (3) times per school year – hereinafter “the parent”) shall submit to and pass a national criminal history check, which will be administered by and through a third party vendor contracted by ICPC. Once the parent completes and passes the background check, the parent will be eligible to participate in the classroom, and will continue to be eligible for three (3) years. This eligibility is transferable between ICPC schools. After three years, the parent will be required to submit to and pass another national criminal history check in the same manner before the parent's eligibility to participate in the classroom will be restored. A parent or caretaker who participates in the classroom three (3) or less times per school year will be characterized as a “guest volunteer” and is not subject to the criminal history check requirement.

A. Administration of Background Checks

1. The Membership Chair for each member preschool will provide prospective parents an electronic link to ICPC's contracted background check vendor. Parents will use this link to submit the background check at the time of registration and enrollment for the following school year.
2. The prospective parent will submit the requested information through the provided link, and ICPC's contracted vendor will run the background check.
3. The vendor will provide a report to a third party intermediary who is not on any member preschool's board. The intermediary will review each background check report in absolute confidentiality, checking the report for certain criminal history which would disqualify a parent or caretaker from participation (see section B below, “Disqualification of Parent Classroom Participant”).
4. The intermediary will communicate the result of the background check directly to the parent within ten (10) days of the parent's submission to the vendor (unless otherwise communicated to the parent by the intermediary). A parent who is waiting on the background check results may participate in the classroom as a “guest volunteer” up to three (3) times.
5. The parent who passes the background check will provide proof of such to the Membership Chair of their member preschool to claim eligibility to participate in the classroom.
6. The parent who is disqualified from participating will automatically have an appeal and request for reconsideration initiated on their behalf (see section C below, “Appeal and Variance Process”).

B. Disqualification of Parent Classroom Participant

When evaluating parent volunteer criminal background checks, the following charges disqualify the parent, rendering them ineligible for participation in the preschool. Criminal background checks are evaluated based on charges filed, not the disposition of the charges. The retroactive time period (e.g. felony charge within the last five years) is subject to change based on the current Indiana state statute, and without amendment to this standard.

1. Felony charge within the last 5 years;
2. Any misdemeanor or felony charge asserting a crime against a child including abuse or neglect (no time limitation);
3. Any charge currently pending;
4. Any misrepresentation on the background check request;
5. Any other charge not mentioned above, but determined to be a risk to the students.

C. Appeal and Variance Process

In the event that a potential participating parent is found to be ineligible based on excluders discovered through his/her

background check, the parent has the right to appeal and request reconsideration in the form of a confidential variance request to ICPC. The appeal will be initiated by the ICPC intermediary, who will mail instructions to the ineligible parent. This confidential variance request will be brought before ICPC's Executive Board (consisting of the President(s), Vice President, Treasurer, Teacher Representative and Secretary) by the intermediary in a meeting called specifically for the purpose of reviewing the request. The intermediary will present the particulars of the parent's appeal without disclosing the identity of the parent or the member school the parent is associated with.

The Executive Board may respond in one of three ways:

1. It may grant the request and advise the intermediary in writing that the parent's confidential variance request has been approved.
2. It may deny the request and advise the intermediary in writing that the parent's confidential variance request has been denied.
3. It may ask the intermediary for additional information concerning the parent, table the variance request until such time that the parent is able to provide the requested information, and then reconvene to decide the request. The Board will advise the intermediary of its determination in writing.

D. Special Teachers

1. Special Teachers (e.g. music, foreign language, and limited special program teachers who are paid by the school, or individuals who provide aid for special needs situations and are paid by parents) who are in the classroom on regular basis are subject to the above standard, and shall submit to the same process as voluntary primary participating parents.
2. Once Special Teachers obtain eligibility to participate in the classroom by passing the background check, they are eligible to work with any ICPC member school(s) for three (3) years. After three years, the Special Teacher will be required to submit to and pass another national criminal history check in the same manner before the Special Teacher's eligibility to participate in the classroom will be restored.
3. Providers of special services who are not employed by an ICPC member school (such as speech therapists) acquire background checks through their employers and are not subject to this standard.
4. Classroom teachers, aides and professional staff are subject to the requirements under Section E of the ICPC Statement on Standards.

Background Check ACKNOWLEDGEMENT AND RELEASE OF ALL CLAIMS

I wish to volunteer at the Nature's Pointe Cooperative Preschool (the "Preschool") and understand that the Preschool, in conformance with its policy, will request that the Indiana Council of Preschool Cooperatives perform a criminal background check on me as a condition of my volunteering for the Preschool. I understand that volunteering is a privilege and that the decision of whether to allow me to participate is completely within the discretion of the Preschool and its designated authorities. In consideration for the opportunity to volunteer for the Preschool, I hereby release for myself, my spouse, my heirs, executives, and assigns, completely release and discharge the Indianapolis Council of Preschool Cooperatives ("ICPC"), the Preschool, their Boards, officers, employees, and agents and their respective heirs, executors, and assigns from any and all claims, rights, demands, actions, obligations, causes of action of any and every kind, nature, and character, known or unknown, that I may have against any of them arising from or in any way connected with my relationship with them relating to the policy or the execution of my background check.
